thankfully I was a member of **Labour Protect**”

LABOUR PROTECT

“The Retrenchment Notice came as a shock to me. How would I be able to provide for my wife and children? Would my marriage survive? This was not supposed to happen. I had always worked hard and expected to rise to the top at work. I was shattered...

After the panic lifted, I remembered that I was a member of Labour Protect. My Workplace Rights were protected. Although it is possible to lawfully retrench, Labour Protect advised me that my

RETRENCHMENT was unlawful. They were ready to put up a fight to protect my Workplace Rights. Justice would be done.

Labour Protect’s employee association has some of the finest labour lawyers in South Africa protecting its members’ Workplace Rights. They choose only the best lawyers to join their national network. Each lawyer is specifically identified and invited to join the network because of their proven skills, level of experience and depth of legal knowledge.”

For a monthly fee of **R85.00**, you too can be a Member of Labour Protect.
